The day

You'll drive from Arusha to Manyara, then ride for two to five hours through the migration corridor between the parks. Expect zebra, giraffe, hippo and buffalo up close, and a completely different sense of scale than you get from a vehicle. The riding isn't technical, but it's a full day, and a hot one.

> **About the price.** US$120 per person, as published on our existing site in August 2026. Most of that goes on park and conservation fees, which the authorities set, not us. We'll confirm the exact figure in writing when you get in touch, so please don't treat this sheet as a quotation.
