Overview

A safari is full-on. You're up before dawn and in a vehicle most of the day, and by the seventh morning most people are more than ready to ditch the early alarm. Four nights on the coast afterwards isn't an indulgence. It's what makes the whole trip feel complete.

Is this trip for you?

Honeymooners, and anyone travelling far enough that a second flight makes sense.

This is a sample itinerary. You can change every part of it (the route, the pace, the camps, the length) and most people do!

Highlights

- Seven days on the northern circuit
- Four nights on the Zanzibar coast
- The short flight between them, arranged and included
- Stone Town on the way through, if you fancy it
- Diving, snorkelling and dhow sailing on offer

Pricing

We price every safari individually, because it really depends on when you travel, which camps you pick and how many of you there are. Tell us your dates and we'll send you a full, itemised quote, not a vague range.

Priced per person, for a private trip. International flights aren't included.

Prepared 18 September 2026. We build every trip around the people going on it, so please treat this as a starting point. It's not a quotation and it's not a contract. We'll confirm availability, camps and prices in writing before anything is booked. And remember, wild animals keep their own schedule, so no sighting can be guaranteed.
