Overview

If you have a short window and you want to spend it in the Serengeti rather than driving to it, fly. You'll leave Arusha by light aircraft, land on the plains, and stay in the same lodge for three nights.

Nothing about the days is fixed. Your guide will talk through timings with you each evening: an early drive and a slow afternoon, or a full day out with a picnic, whatever suits the two of you. Beer and wine are included with meals.

Is this trip for you?

Honeymooners, and anyone with four days who would rather have three nights in one good place than three nights in three different ones. It pairs naturally with Zanzibar afterwards.

> This is a starting point, not a fixed departure. You can change the route, the pace, the camps and the length, and most people do.

Highlights

- Light-aircraft flights from Arusha, so no long transfer days
- Three nights in one Serengeti lodge
- Days arranged around you, not a schedule
- Beer and wine included with your meals
- An easy onward hop to Zanzibar if you want one

Route

01 Serengeti · 02 Arusha

Day by day

DAY 01

01 Arusha to the Serengeti, by air

Arusha → Serengeti

We'll meet you in Arusha and take you to the airport for the flight to the Serengeti. What would have been a long day on the road becomes a couple of hours, most of it with a view.

From the airstrip it's straight into the park. Your guide will talk through the days with you: how early you want to start, how long you want to stay out, whether you'd rather have a long lunch than an extra drive.

Stay: Nimali Lodge · **Meals:** B · L · D · **Driving:** 2h

DAY 02

02 A full day on the plains

Serengeti

A full day of game driving with a picnic lunch, so nothing interrupts the good hours. Lion, elephant and buffalo are all likely, and the plains tend to produce something nobody expected.

Back to the same lodge in the afternoon, which is the quiet luxury of staying put: you unpack once.

Stay: Nimali Lodge · **Meals:** B · L · D

DAY 03

03 The Serengeti, your way

Serengeti

Another day shaped entirely around what you felt like after yesterday. A morning drive, lunch and a slow afternoon, then out again at four. Or one long day with a picnic and no clock at all.

Stay: Nimali Lodge · **Meals:** B · L · D

DAY 04

04 Flying out of the Serengeti

Serengeti → Arusha

We'd suggest one more very early start: the animals are at their most active and the sunrise is worth the alarm. Back for a late breakfast, then to the airstrip for the flight to Arusha, or onwards to Zanzibar if that's the plan.

If you'd rather have a slow last morning at the lodge instead, that's a perfectly good answer too.

Meals: B · L

Prepared 18 November 2026. We build every trip around the people going on it, so please treat this as a starting point. It's not a quotation and it's not a contract. We'll confirm availability, camps and prices in writing before anything is booked. And remember, wild animals keep their own schedule, so no sighting can be guaranteed.
